Dorsett Singapore has one of the best locations of all 4-star hotels in Singapore – right above the Outram Park MRT station. Our hotel sits in historical Chinatown, and brings a striking yet sophisticated contrast to the traditional architecture of the surrounding precinct with its modern, full-glass façade. In doing so, it has become something of a refreshing landmark.

The innovation continues inside the hotel, where our 285 high-ceilinged guestrooms and lofts have been designed with the considerations of the contemporary traveller's comfort in mind, like Posturepedic™ mattresses so you'll get the best night's sleep possible. All rooms have high-speed wireless internet access and a 40" LED TV with international cable channels to help you stay connected while in the global city, Singapore
