What is an International Programme?

WBS has a variety of international programmes which allow students to experience various business models and cultural immersions.

Students are exposed to networking opportunities with top executives and decision makers. Moreover, some of our students have found job opportunities and lucrative contracts while embarking on an international programme.

Study tours, exchange or specialised programmes are both fun and experiential; and are available to MBA and MM students. WBS has a variety of options, with varying deadlines, that might interest you.

1. WHAT IF I CANCEL MY TRIP?

Cancellation fees will apply.
You will need to officially apply for a deferral through the WBS International Relations Department. Deferrals are taken into account with valid evidence such as a doctor's certificate. However, work commitments are not grounds for a deferral.
The cancellation will likely delay your graduation, as trips take place only twice a year.
