WHAT PERCENTAGE OF YOUR STUDY TOUR COMPRISES OF FUN....

What is a study tour?

- **Global Study Tours consist of 80% company or institution visits, 10% cultural immersion and 10% spare time.**
- **Study tours are designed to be both fun and educational.**
Our groups enjoy the local cuisine, socialise, and make use of the local recreational and cultural resources of the areas that we visit. However, study tours are NOT party trips.
- **A study tour is a travel experience with specific learning goals.**
The learning outcomes of each study tour vary, but are always provided in the course outline that is distributed to each student. Study tours emphasize experiential learning and offer both group and self-directed activities that enable students to explore new territories, cultures, people and business models.
- **Traveling with one of our groups**
- No worries or hassles about where to stay, how to get there, or even checking in!
- The itineraries are designed to maximise your overall experience.

What are the benefits?

- **New ways of thinking about and doing business.**
- **Access to a network of the top students and businesses around the world.**
- **An opportunity to immerse yourself in a different culture, to use the exchange school as a central base for international travel.**
- **Job opportunities.**

TRIP OVERVIEW

- All company visits, group lunches/working dinners and cultural activities are compulsory.
- Most lunches and working dinners will be paid for by the school.
- Working dinners/cocktail functions refer to guest speakers or fellow MBA students in attendance and provides the opportunity for you to network.
