What percentage of your study tour comprises of fun....

What is a study tour?

- **Global Study Tours consist of 80% company or institution visits, 10% cultural immersion and 10% spare time.**
- **Study tours are designed to be both fun and educational.**
Our groups enjoy the local cuisine, socialise, and make use of the local recreational and cultural resources of the areas that we visit. However, study tours are NOT party trips.
- **A study tour is a travel experience with specific learning goals.**
The learning outcomes of each study tour vary, but are always provided in the course outline that is distributed to each student. Study tours emphasize experiential learning and offer both group and self-directed activities that enable students to explore new territories, cultures, people and business models.
- **Traveling with one of our groups**
- No worries or hassles about where to stay, how to get there, or even checking in!
- The itineraries are designed to maximise your overall experience.

What are the benefits?

- New ways of thinking about and doing business.
- Access to a network of businesses around the world.
- An opportunity to immerse yourself in a different culture.
- Job opportunities.

Trip Overview

- All company visits, group lunches and cultural activities are compulsory.
- Most lunches will be paid for by the school.
- The schedule is very tight so we need to be punctual at all times.

You will receive a WhatsApp announcement daily regarding the schedule.

ASSESSMENT AND ATTENDANCE

- Complete all assessments
- 100% attendance to lectures, company visits and cultural activities.
- Failure to comply with this policy will result in an automatic failure off programme. A record of attendance at each prescribed activity will be kept by the Lead academic and will be submitted to the International Office as a formal record.

Business Etiquette

- WBS has provided ties and scarves (please wear **white shirt** and the above for formal company and institution visits)
- Suits / skirts with subtle / dark colors are the norm.
- Casual dress should be conservative (applicable to country visited).
- You can wear jeans for cultural visits, but jeans are not acceptable for business meetings.
- Please ensure that you have your business cards.
- All mobiles to be switched off during company and institution visits. Please do not ask for Wi-Fi passwords unless provided.
- WBS will provide gifts for the hosts as a token of our appreciation.

Discipline

- Minor disciplinary issues (e.g. lateness, non-conformance to dress code, intragroup issues) will be addressed by the student representatives.
- Serious disciplinary issues (e.g. physical altercations, gender-based misconduct, bringing WBS into disrepute) will be addressed by academic leads.
- In cases of serious misconduct, students may be returned to SA at their own expense.

Assessment

- Amazing Race (25%)
- Individual Assignment (75%)

The Amazing Race Assessment

Individual Assessment (75%)

Purpose: Based on the MBA core themes, students will be exposed to experiential and on-site learning; thus, students will need to contextualise the selected country and company in line with strategic management decisions.

Requirement: Choose ONE of the following assignments:

1. Provide a PEST ANALYSIS of a South African company entering into UAE (Dubai) or UK (London).
OR
2. Provide a country risk profile for a company of your choice.
OR
3. Formulate a Business plan for a South African idea that will be viable in the UAE (Dubai) or UK (London).
OR
4. Discuss your “take home learnings” from the trip:
 - What you have learnt from the amazing race; what was new or different from what you have experienced before. Please include pictures to illustrate this.
 - Each business meeting: Give some background information about the company and the environment that it operates within. Please highlight your key learning points from each meeting (at least three per meeting).
 - Any other key learning points that you gained from going on this trip. (This can be anything you learnt either about yourself, the country, the people, your fellow travelers or anything not covered in the two points above).

DEADLINE: 27 March

London and Dubai
