Global Study Tour – 1 Credit

Date: 1-17 November 2025

5-9 days (subject to travel arrangements)

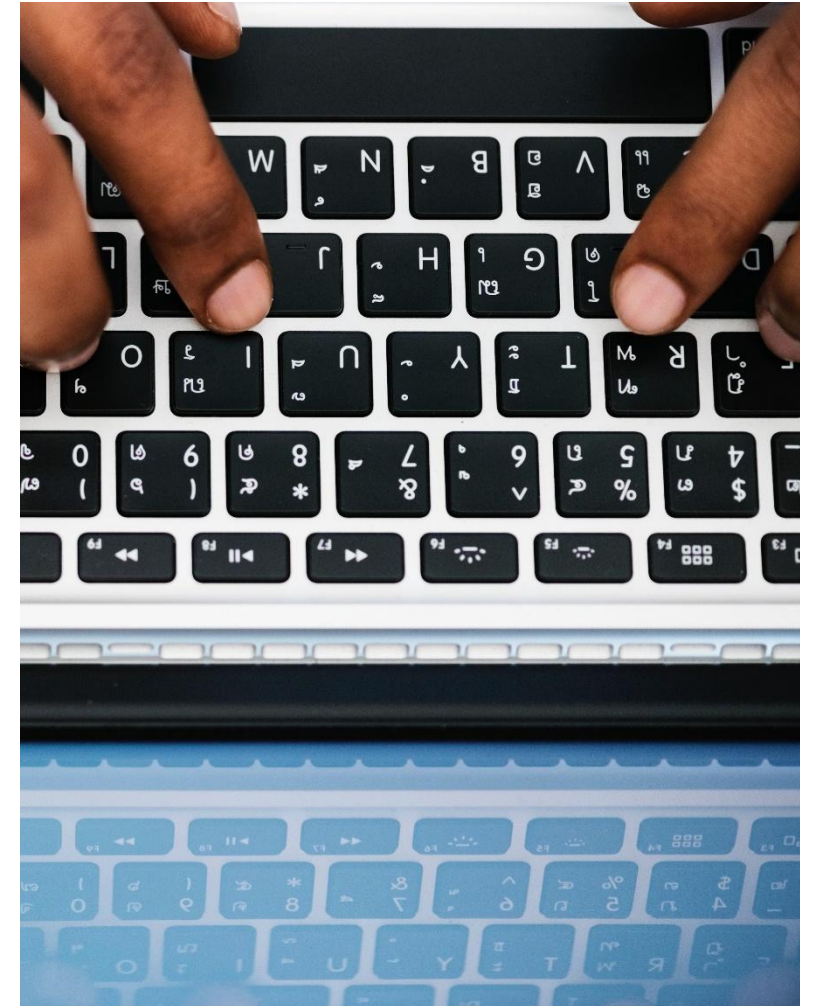

Travel itineraries provided however dates are subject to change. Past course outlines are available on the platform

- ***Study tours are designed to be both fun and educational.***
Our groups enjoy the local cuisine, socialise, and make use of the local recreational and cultural resources of the areas that we visit. However, study tours are NOT party trips.
- ***A study tour is a travel experience with specific learning goals.***
The learning outcomes of each study tour vary, but are always provided in the course outline that is distributed to each student. Study tours emphasize experiential learning and offer both group and self-directed activities that enable students to explore new territories, cultures, people and business models.
- ***Traveling with one of our groups***
- No worries or hassles about where to stay, how to get there, or even checking in!
- The itineraries are designed to maximise your overall experience.

Important Information:

- All MBA students are eligible for the 2025 study tour. Online country selection for WBS global study tours are on a first come, first serve basis.

There are many popular trips and these tend to fill up in minutes, so ensure that you are online at the stipulated time.
- ***Global Study Tours consist of 80% company or institution visits, 10% cultural immersion and 10% spare time.***

A. Travel Information

1. WHAT IF I CANCEL MY TRIP?

Cancellation fees will apply.

You will need to officially apply for a deferral through the WBS International Relations Department. Deferrals are taken into account with valid evidence such as a doctor's certificate. However, work commitments are not grounds for a deferral.

The cancellation will likely delay your graduation, as trips take place only twice a year.
